

Diamond Broker Bond Program

A Better Way Of Doing Business

Internet Truckstop® Brokers now have access to an **affordable**, quality bond, as well as, an effective method of attracting more Carriers.

Participating members receive a diamond designation attached to every load they post with Internet Truckstop.

The diamond advertises to all Carriers your "A" credit score, the quality of your bond and your proven performance history.

The screenshot shows the 'Loads' section of the Internet Truckstop interface. At the top, there are buttons for 'Create New Search', 'Favorite Searches', and 'Custom Searches'. Below this is a search bar with 'FV' and 'AL pickup Anytime to Anywhere' entered. The main table lists various truckloads, each with a diamond bond icon (one or more diamonds) in the 'Bond' column. The table columns include: Bond, Phone, TRLR, Age, F/L, Pickup, Origin City, ST, DIST, Destination City, ST, DIST, Payment, Length, Weight, D2P, EXP, Company, FUEL, and Miles. The interface also includes a 'Search Types' dropdown and a 'Next' button.

In addition to competitive advantages, the Diamond Broker receives experienced support to protect their credit score, their bond and their good name.

Why Should I Join?

Advertising Value: More trucks will know you are an “A” rated Broker because a majority of trucking companies do not purchase the credit reporting services. They never see your good credit score. Now all trucks can see you are “A” rated.

Affordability: Bond acceptance is based on the Broker’s performance history with Internet Truckstop. This eliminates most paperwork and expensive credit reviews. This significantly contributes to the affordable price. No financial statements or collateral are required from the qualifying Broker.

What Would I Need To Do?

The Broker establishes a surety bond through our insurance partners McGriff Seibels & Williams, Inc. and Roanoke Trade Services, Inc. The Broker member maintains an "A" credit rating with Internet Truckstop and keeps their bond free of valid claims.

Who Is Providing My Service?

ITS Financial Services, LLC is an affiliate company of Internet Truckstop. ITSFS manages the marketing and support services of the program listed above. ITSFS takes a proactive approach in protecting our member's qualifications and their good name.

McGriff, Seibels & Williams, Inc. serves as the insurance agent for the BMC-84 Property Brokers bond. MSW specializes in transportation insurance and has been servicing this market for more than 100 years.

Roanoke Trade Services, Inc. serves as the managing general underwriter for the bond. RTS specializes in bonds and in 2010 celebrated its 75th year servicing this market. Unlike many other underwriters, bonds are the focus of their business. By partnering with Roanoke Trade a high level of experience, knowledge and stability can be delivered to our customers.

Other Items To Consider

Brokers With Surety Bonds: Does your current bond provider require collateralization such as a Bank Letter of Credit or other pledged assets? If so, this is an opportunity to free those assets, as well as, eliminating the associated administration cost.

Brokers With Trust Fund Bonds: Do you currently have \$10,000 sitting in a trust account somewhere? If so, this is an opportunity to replace this bond and put those dollars back into your business. \$10,000 would fund the Diamond Broker Bond Program for more than twelve years!
